THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI); (a) Details regarding the fiscal incentives and subsidies given by the Central and State Governments *to* encourage conservation of energy and exploitation of alternate sources of energy are indicated in the enclosed statement. *[See* Appendix CXLI, Annexure No, 20]

(b) With a view to encouraging the exploitation of alternate sources of energy, the Government of India have delicenced from the scope 6f Industrial Development and Regulations Act, 1951, the following items for manufacture: —

(i) Equipment upto 5000 KW for mini and micro hydel systems. ,

(ii) Electric Ve'nicles.

(iii) Solar insulation.

(iv) Installations and devices for the harnessing of

—Wind Power

—Bio-mass & biogas energy

—Geo-thermai energy

—Tidal power and sea power

(c) The other policy decisions include assistance from financial institutions ifor the manufacture and installation of re newable energy systems -and delicensing the import of most of the equipment needed for the exploitation of new and renewable sources of energy.

Production of synthetic detergents

589. SHRI RAJNI RANJAN SAHU: Will the Minister of INDUSTRY be pleas-ed to state:

(a) what is the annual production of synthetic detergents in the country;

(b) whether any of the companies ma-nufacturing the detergents have any research and analysis facilities; if so, what are the details thereof;

(c) whether Government are aware that these detergents are health hazards and have adverse biological effects on human body; and

(d) if so, what steps Government propose to take in this regard?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DE-VELOPMENT IN THE MINISTRV OF INDUSTRY (SHRI M. ARUNACHA-LAM): (a) The production of synthetic detergents in the year 1985-86 is estimated as follows: —

Organised sector; 1. 86 lakh tonnes

Small Scale Sector; Around 3. 50 lakh tonnes

(b) Most of the companies in the orga nised sector such as M/s. Hindustan Lever Ltd., M/s. Tata Oil Mill, M/s. Godrej Soaps Ltd., M/s. Swastic Household etc. have research & analysis facilities in their units. Some of the small scale units are having testing facilities.

(c) and (d) The Indian Stan'dard Met hods of Safety Evaluation of Synthetic Detergents Method of Test for Irritant Potential of Synthetic Detergents has been published. These standards are not static, but dynamic and can be reviewed from time to time in the light of technological and other important developments which have a bearing on these standards. The National Productivity Council in collabo ration with M/s. Indian Toxicological Re search Institute of Lucknow is examining the various aspects relating to health ha zards causey by the use of the detergents. The Government will take appropriate ac tion if necessary on receipt of the report.

Mini-Micro Hydel Projects

590. SHRI S. S. AHLUWALIA; Will the Minister of ENERGY be pleased to state;

(a) whether there is any proposal to establish mini-micro hydel power projects in the country particularly in those States which are facing acute power shortage, such as Bihar;

(b) the number of mini-micro hydel projects set up in each State till date;

(c) whethe$_r$ certain State Governments have identifieti a number of schemes and have forwarded them to the Union Government for clearance; and

(d) if so, the number of such schemes sent by State Governments, particularly by the Government of Bihar and the action taken by Union Government thereon?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI): (a) and (b) Mini/micro/small hydro-electric projects are currently being executed by the States under the State Plans. Ninety three such schemes are presently unde, - operation in th$_e$ country, the details of which are given in the enclosed Statement *(See* below). Three schemes are' presently under construction in Bihar.

(c) and (d) Project reports of thirteen such schemes (costing more than Rs. 5 crores) have been received in the Central Electricity Authority (CEA) for techno-economic lappraisal. This includes twp schemes from Bihar which have been ex-: imine'd in the CEA and comments have been sent to the State authorities. In addition, one such scheme of Bihar has been cleared by the CEA.
